Wordpress themes for authors book

Are you looking for the best WordPress themes for authors? As an author, you want to offer a great reading experience for users, allowing them to connect with you and buy your books. In this article, we'll show you some of the best WordPress themes for authors that you can use to build your website. Building a WordPress site for WordPress authors is the most popular website builder among authors and writers. It gives you the flexibility and freedom to build your website and grow your author profile to connect with readers. Before you start, you need to make sure that you use the right type of WordPress. There are two types of WordPress websites, WordPress.com and WordPress.org. You can read our guide on WordPress.com vs WordPress.org to learn about the differences. You must WordPress.org on your website. A self-WordPress.org-hosted site gives you the freedom to use all the features and features of WordPress. You also need a domain name and hosting. A domain name is the address of your site on the web, such as wpbeginner.com or google.com. Web hosting is the storage space for all files on your website. It is recommended to use Bluehost. It is one of the largest hosting companies in the world and an official WordPress hosting partner. They offer WPBeginner readers a 65% discount on web hosting and a free domain to start your website. Once you've registered for hosting, you're now ready to install WordPress. Follow the instructions in our comprehensive step-by-step guide on how to start a WordPress blog, and your site will be ready in a short time. After you install WordPress, it's time to choose a WordPress theme. Just select a theme from our choice of experts below. For help adding the theme to your site, check out our beginner's guide on how to install a WordPress theme. No, let's take a look at some of the best WordPress themes for authors. This list contains both paid and free themes. 1. Astra Astra is a multipurpose WordPress theme that can be used to create an author's website. It has the perfect layout for authors, with a separate blog page to connect with readers. The theme comes with a responsive design and crisp typography to help your website stand out. It supports WooCommerce for adding an online store, layouts of multiple themes, and social sharing icons. Astra has custom widgets, home page sections, an image gallery, a section about me, and more. You can use the most popular page builder plug-ins with Astra, or you can use the WordPress Block Editor (Gutenberg Editor). Astra is also designed for good WordPress SEO (search engine optimization) to help your site position itself well in Google and other search engines. 2. Divi Divi is a Powerful WordPress theme and drag & drop page builder comes with hundreds of predefined templates. Their author layout is perfect for creating a website to show your book and connect with your audience. You can import the Divi author layout with just a few clicks and have a ready-made website that is mobile responsive. It will include a store, landing pages, social buttons, and more. It's easy to replace Divi's demo content with your own using drag-and-drop page creation tools. Divi's powerful page builder allows you to easily change the design of your site. You can choose unlimited colors and choose from a full range of Google Fonts. You don't need to know any CSS code to change the design of your site. 3. Author Pro Author Pro is a WordPress theme designed specifically for libraries, authors, and ebook stores. It has a simple and intuitive design that is easy for your visitors to use. Author Pro lets you view your best-selling books on the homepage. You can create a custom navigation menu to add landing pages, categories, and tags to help readers find the books they want to buy. Author Pro is a fully responsive WordPress theme optimized for SEO. StudioPress is now part of WP Engine, the most popular managed WordPress hosting company. You can get this theme and all the other 35 StudioPress themes when you sign up for WP Engine hosting to build your website. Bonus: WPBeginner users also get an additional 20% OFF. Start with WP Engine today! 4. OceanWP OceanWP is a powerful free WordPress theme with multiple ready-made websites. These include a template for authors, writers, and libraries. It can be installed with one click and does not need coding skills. OceanWP offers a beautiful and flexible layout design with ecommerce support to sell books. It is ready for translation and can be used to create a multilingual website. It's easy to change the theme settings in the live customizer. OceanWP is SEO friendly, which helps your site be found in search engines. 5. Ultra Ultra is a modern and powerful WordPress theme to sell your books online. It has a full-width header area on the home page to add a featured image or display your books in an image cursor. You can include a call-to-action button so readers can buy your books immediately. This theme covers everything you need as an author, including a testimonial section, so readers can leave reviews and rate your books. You can also add an author's section to share your story professionally. 6. Presence Presence is designed to help you quickly create your website. It works perfectly for bloggers, writers, freelancers and book authors. Includes 10 demo websites with various blog layouts. You simply have to replace the content with your own to build your website. The presence is 100% mobile responsive and comes with many powerful features like a photo gallery, ecommerce support, sliders, and more. 7. Pro Hello Pro is a portfolio and blog theme for authors. Created by the people of StudioPress, it comes with a widgetized homepage with a number of widget areas. It has multiple templates for your blog, homepage, archive and landing pages. Hello Pro has a custom gallery post format with a lightbox view of your photos. This theme is highly optimized for speed and performance. It has a quick and direct configuration and compatibility with all standard WordPress plug-ins. 8. Float Float is an elegant minimalist WordPress theme for authors, writers, and bloggers. It comes with multiple pre-designed demos to quickly launch your website and start adding your own content. The homepage has a portfolio section to showcase your masonry-style books. To customize the theme, you can get header layouts, navigation menu styles, a transparent header option, and layout design settings. Float has support for ecommerce with WooCommerce integration and doesn't require additional settings to create an online store. 9. True North True North is an elegant WordPress theme with an attractive design. Use a grid layout on the homepage with a nice view of images. It has multiple layout choices and a built-in portfolio section to showcase your work. It also supports custom background, custom header, and has several custom widgets for social media and content discovery features. 10. Writee Writee is a free WordPress theme designed for book authors, writers, and bloggers. Inside you will find a boxed slider at full width that allows you to easily show your best content. The theme offers great readability with beautiful typography and spacious layout. It has a navigation menu and a menu of social links at the top. It also adds social sharing icons under each article and an excerpt so your users can easily share content. The Writee theme is suitable for use with RTL languages. 11. Magazine Magazine is an elegant WordPress theme with a magazine-style layout for authors and writers. It comes with over 40 themes drawings and supports the Themify drag-and-drop generator to create your own pages. Other features include a slide menu, mega menus, widgetized areas, social sharing buttons, related posts, footer menus, and incredible typography. 12. Binder Pro Binder Pro is a well-crafted WordPress theme designed for publishing. It's perfect for content-rich websites like magazines and personal blogs. Inside, you will find 7 ready-made websites that can be installed with 1 click. Binder Pro uses modules and allows you to drag them to create your own layouts as well. It has multiple sidebars, header styles, icon fonts, unlimited custom sidebars, and full WooCommerce support. 13. Daily Dish Daily Dish is a WordPress theme for authors and bloggers with a professional and minimalist design. It is built over the powerful Genesis Framework. The most notable features of the theme are the crisp typography and beautiful display of the images. It has a widgetized home page layout that allows you to easily drag and drop widgets or add shortcodes. Inside you will also find more a custom header, and WooCommerce support. 14. Elegant Elegant is a WordPress blog and portfolio theme. It features a beautiful layout with the logo and navigation menu at the top with a social menu. It has multiple layout options including a grid layout. Elegant has a built-in portfolio content type, several custom, custom widgets, color schemes and an easy-to-use theme options panel. It comes with a drag and drop page builder and WooCommerce support. 15. Suarez Suarez is an incredibly beautiful WordPress blog theme for authors. It comes with a unique homepage style designed to showcase your content prominently using images and text. With Suarez, you get beautiful animations, multi-page layouts, and custom content discovery widgets. It also has a hero home page cursor for your homepage and comes with a separate scroll plugin to use anywhere on your website. 16. Brittany Brittany is an elegant WordPress blog theme with beautiful design. The homepage features an introductory section at the top followed by your most important content. Brittany has several layout options and templates for different pages. You also get several custom widgets for easy social media integration and content discovery features. 17. Metro Pro Metro Pro is a powerful WordPress theme built on genesis framework. It includes an easy-to-

set up home page with multiple sections to beautifully share your featured stories. It also has built-in social media integration, custom menus, custom widgets, and a panel of theme options. With solid code, Metro Pro is highly optimized for performance and speed. In addition, it is fully compatible with WooCommerce to sell your books online. 18. Landing Landing is a perfect choice of wordpress theme for selling ebooks. It has many built-in templates designed specifically to help authors, writers, and bloggers create a website. Its features include a type of post portfolio to create your own book shelf, a type of event post to host your book launch events, and WooCommerce support to sell your books online. 19. Montblanc Montblanc is a very powerful and highly customizable WordPress theme perfect for authors. It comes with flexible layout choices, multiple homepage styles, custom widgets, page templates, and more. It can be used for a multi-author magazine website or a profile that is the author of a single page. It also includes a portfolio, photo galleries, and beautiful sliders. It's ready for WooCommerce and comes with a powerful page builder plugin. 20. Author Author is a free WordPress theme for authors and publishers. It focuses on accessibility and has a beautiful clean design. It loads fast and the code is optimized to improve the performance of your WordPress site. Use a simple two-column layout with a sidebar and a navigation menu on the right. It's easy to set up and can be customized using the WordPress theme customizer. It is compatible with all standard WordPress plug-ins to add extra items to the site, such as a contact form. 21. Relive Relive is a modern WordPress theme for authors and storytellers. It is designed to create an immersive experience with the help of audio, video, images, and text. Relive offers long-lasting content with beautiful scrolling effects. It also comes with a page builder and tons of customization options. It's easy to set up and comes with a 1-click demo installer. 22. Indigo Indigo is a gorgeous multifunction WordPress theme. It comes with easy-to-use forms that you can simply drag to build your homepage layout. It also includes 14 ready-made websites that you can use as the basis for your site. These websites include a blog, magazine, and story theme that would work perfectly for blogs or authors' websites. 23. Modules Modules is a well-designed WordPress theme perfect for authors and bloggers. It uses a modular design approach and comes with several out-of-the-box modules that you can drag to create layouts. It also includes multiple demo websites that you can install and use as a starting point for your website. Within the theme, you'll find several custom widgets, unlimited sidebars, header styles, video background support, Google Fonts, and WooCommerce support. 24. Extra Extra is a perfect theme for bloggers and online publications. It's built above the Divi page builder from Elegant Themes, so you can easily customize the layout as needed. Extra gives you a lot of flexibility to create different categories, homepages, and story-based blog posts. Like all stylish theme designs, Extra is 100% mobile responsive and comes with all the powerful features you can expect like galleries, social sharing, sliders, and more. 25. Nozama Nozama is a WooCommerce-based theme that makes it easier for you to sell your books online. It has product pages and a homepage section to view your books professionally. You also get a customizable showcase with multiple settings for product layouts, element visibility, and product filters. This theme supports the Elementor generator to easily design pages using drag-and-drop tools. He is responsive and ready for the retina. In addition, you can use a sticky menu on your site. 26.
